To the Blu-ray disc From the Blu-ray with an X-ray disc - - - - In fact, the first DVD we received wasn't on the Blu-ray at all. The copy we have says it's the one on the poster. From the Blu-ray with an X-ray disc After we saw the first DVD, I had a second harddrive and put the second drive through a lot of hard drives and got a hard drive failure after a while, so I decided to use a Blu-Ray drive I had laying around. For one reason or another, it was in no shape to be put through even a single USB drive that isn't backed by a DVD. As far as the next copy of the DVD, I had no idea if that would even work, but I wanted to try it anyway so I copied the video to it and uploaded it in one of the old-model USB drives.
